

PeerSphere

Professionally Hosted Peer Learning Communities

Taster Sessions

EARCOS Middle Leaders

 May 14, Tuesday

 7:00 - 8:30PM (HKT)

Hosts

Michael Iannini

PeerSphere Co-founder, 2023/24 Community Host, Board of Governors at Safe Passage Across Networks (SPAN), ACAMIS's Leadership Development Facilitator, Search Associates Contracted HR PD Coordinator for China

Join our EARCOS Middle Leadership community taster session to swap great reads, useful tools, and solid leadership strategies that have helped us this year. Using PeerSphere's Insight Trading Protocol, we'll share what's worked and gather a bunch of resources to help each other get ready to hit the ground running next academic year. Together, let's gear up for a successful year with insights that empower every leader.

Want to see what a PeerSphere live session is like?

Not only will you get a sneak peek of what our 90-minute live sessions are like but we guarantee that you will connect and learn with your peers too!
